Construction is underway along Skokie Boulevard this fall and into 2019. The former Shell gas station at 9300 Skokie Boulevard will soon become the Village's second Wendy's fast-food restaurant and a new Waterway Gas and Water Company is slated to replace the former Pizer Funeral Home, 9200 Skokie Boulevard.

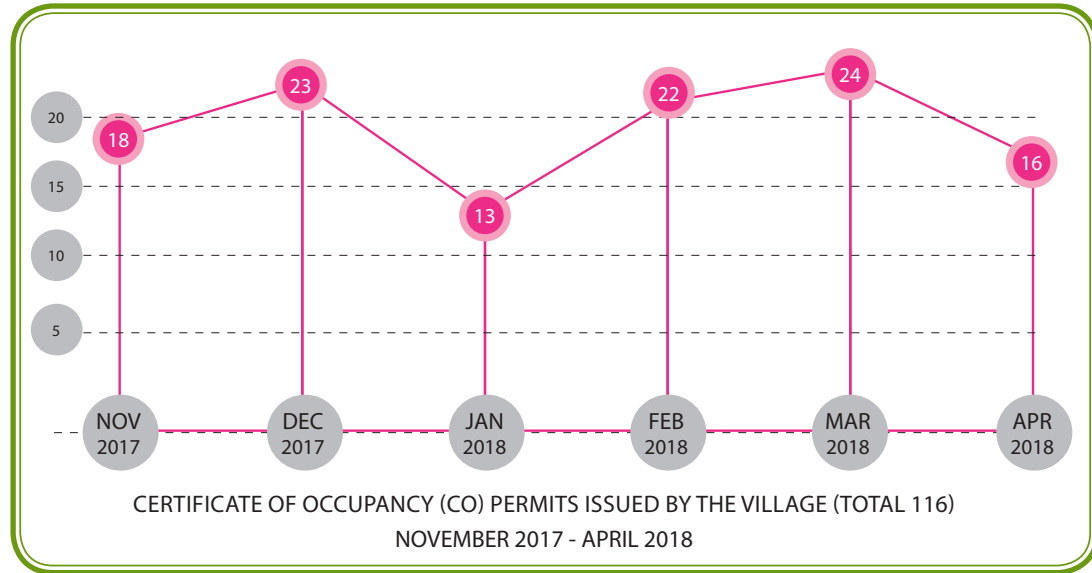

The Downtown Skokie Alliance celebrated its one year anniversary this past spring and continues to support local restaurants, shops and services along Lincoln Avenue and Oakton Street with events and activities throughout the year. Find out more at www.downtownskokie.org.

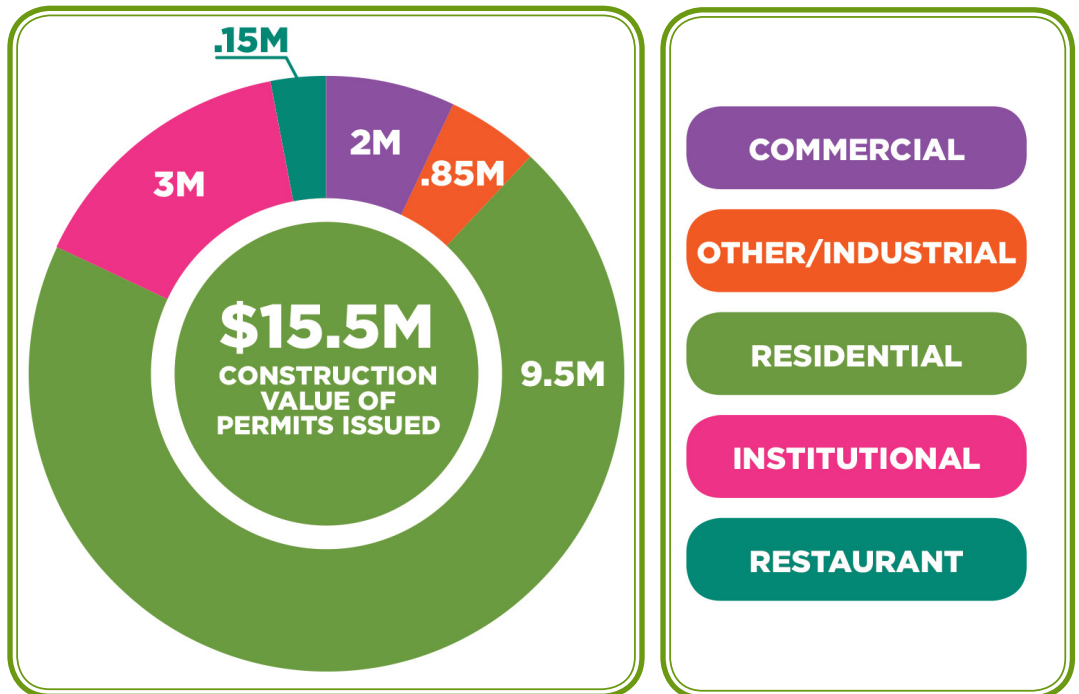

Making it easier to extend your visit to the 2018 Make It Better magazine's "Best Suburban Mall," Westfield Old Orchard, is FunDay, the new boutique, drop off play space and activity center for kids ages 3-12 years old. Owner Bela Lopes has created an inviting space where kids can engage in fun, creative and stimulating activities while you shop! Next to Soul Cycle and Banana Republic.
